

## GEF1000 EPOXY FLUSH LIQUID DETERGENT

Glenmarc epoxy flush is a general use liquid detergent formulated for removing uncured epoxies, paints, inks, from all machine systems, parts and tanks.

It is a water based non-toxic, non-flammable, biodegradable liquid material that can replace harsh solvents.

- Cleans and flushes uncured epoxies, paints, inks, etc.
- Environmentally friendly
- Safe non-toxic, non-flammable, biodegradable
- Phosphate free
- Can be disposed of in sink or sewer in most areas (check with your local code)
- Replaces harsh solvents
- Safe on all common metals including steel, aluminum, copper, brass
- Safe on all rubber O-rings and parts including buna, viton, neoprene, etc.
- Pleasant mild citrus odor
- Available in 1 gallon jug, 5 gallon pail, and 55 gallon drum.
